Faciliteter

MODERATOR: I'm looking into the issue with ports right now.

Description

Old position is incorrect, it is private berth. You need sail 200m SW. Be aware - stones. For boaters - small island 57,545 16,688.

Toilet and garbage bin at big island, Alo (S side).

There is NO FACILITIES HERE! (Toilet only at Alo, big island at S side). Cant delete it, site not save my check boxes erasing.

Approach

Narrow channel from NE. Not for sailboats, shallow and there is stones.

mooring

Describe the mooring here.

For example:

Jetty, anchor, buoy, pile, Y-boom, long side,

Deep, shallow, stone, clay, sand

Describe also how large and in-depth boat can moor, either by depth and width or by which largest boat you have seen in the harbor.

price Picture

Talk about what it costs to be in the harbor and utilize various services such as shore power, water, mini golf etc.

Also describe prices for other things such as food, gasoline, restaurant, mast crane etc.

Other heading

You can create more headings and also delete them above. This is just a proposal.
